Creating Possibilities in Our Pupils

Chinese Department
Newsletter (Term 1 2018)

Our school celebrated Chinese New Year on 15 Feb. It was definitely an engaging celebration in the hall. The concert started with the Lucky dance led by Mr Huang and the P4 conversational Chinese/Malay pupils. The pupils greeted the audience with the new language they learnt.

The CPS inaugural Lion Dance performance was the highlight of the concert. This performance was put together by our P2 PAL drummers and some P6 pupils who are non-Chinese. It was indeed heartening to see everyone enjoying themselves. This was followed by a professional lion dance and wushu performance from the Athletics Association.

The sing-along session was much more interesting this year as it was a combined effort of the whole school to produce a unique CNY MV and energetic CPS dance waves. The whole school dance along to the Chinese New Year video that they recorded previously. Pupils were all exhilarated to see themselves dancing in the video. The celebration was indeed a memorable experience for the CPS family.
