performance)

CCA Description

CPS Chinese dance aims to nurture our members into passionate dancers and responsible leaders who learn to appreciate the Chinese culture through the different forms of Chinese dance. Our Chinese dancers put in many hours of hard work and achieved outstanding results. They exemplified the school values of endurance and responsibility. Our talented dancers were also invited to various external performances allowing them to gain precious experiences.

Highlights

- 1) Holistic Assessment
- 2) Dancers get the opportunities to perform for the Chinese New Year and Prize-giving day concert
