Hari Raya Adilfitri Celebrations 2022

- 1. Classroom Activities*
- 2. Lunch Activities*
- 3. Hari Raya Concert*

After 2 years of having virtual assembly due to safety management measures, CPS was finally able to gather in the school hall for a physical concert! It was delightful to bask in the cheerful smiles and laughter of students and teachers alike.

The celebration was a hybrid of pre-recorded and live performances. Students, parents and teachers enthusiastically took part in different segments of the concert to liven up the celebrations!

1. Classroom Activities

In Term 2, Weeks 4 and 5, students were exposed to different aspects of celebrating Hari Raya to increase their awareness and appreciation towards the culture.

The P1 and P2 students took part in decorating Hari Raya traditional costumes using recycled materials.

The P3 and P4 students decorated and folded green packets. They also learnt the significance of generosity and the spirit of giving during Hari Raya Aidilfitri.

The P5 and P6 students decorated Hari Raya greeting cards which included festive messages to reminisce the (g)olden ways of seeking forgiveness. Forgiving one another is also an important aspect of Hari Raya Aidilfitri.

The student's works were displayed outside their form classes for everyone to appreciate and enjoy.

2. Lunch Activities

During lunch breaks from Week 6 to Week 8 of Term 2, students took part in the Hari Raya fringe activities. Students read information about the fasting month and Hari Raya Aidilfitri and took part in a simple quiz.

Students also worked together to find ketupats around the school in the 'Find the Ketupats' game. Fringe activities allowed students to have fun while they learn from one another. Winners were announced during the Hari Raya concert! ☺

3. Hari Raya Concert

Our Malay Dancers, **Citra Penggiat Seni**, made a graceful opening to the Hari Raya Celebrations!

Everyone was in awe with the performance of Zulaikha (Edurance 2) and Aisha (Compassion 2) who sang the song 'Maafkan Kami' which means to ask for forgiveness. A very apt song in the spirits of Hari Raya indeed!

Teachers and students took part in a game where they had to fashion the *samping* for each other. Their walks and poses wowed the audience as everyone cheered for them.

The graduating Malay Language students came together and made a memorable rendition of the Hari Raya song, 'Balik Kampung'.

Special thanks to the **Parent Support Group (PSG)** who played a key role as they enlightened us on the customs and traditions of Hari Raya Aidilfitri.

The P3 and P6 students marched in during the finale and filled up the stage as they sang the song 'Balik Kampung'. This song was aptly sung to celebrate families who might have finally reunited with their loved ones from across the borders. The hall echoed with happy voices who sang along to the catchy chorus!
