# PERCUSSION

When it comes to our CPS Samba Percussion Troupe, you can hear the beat in your hearts before you actually watch them in action. Our Samba Percussion troupe, *Chilli Padi Spicy*, plays Brazilian Samba rhythm using the authentic Brazilian instruments such as the *Caixa* and *Surdo*.

Learn to play the percussion instruments to the Brazilian beats and perform at several events!

In 2019, All our members, including our juniors, not only performed for the year end school concert but also participated in the Green Carnival held at Westgate. Our splendid performance not only awed the public but also added vibrancy to the mood.
