

As we usher in the Year of the Pig in our bicentennial year, our school celebrated Chinese New Year on 4 Feb in a meaningful way as we shared the festive joy with some elderly from St Joseph Home. The guests came over to our school and immersed in the festive spirit with us.

The CPS inaugural Lion Dance performance was the highlight of the concert. Our pupils truly enjoyed the jolly performance put up by the lion dance and had fun time interacting with the adorable mascot. In addition, we had our own CPS Chinese Dancers who performed a graceful dance called 《春风化雨》, which signified the beauty in the spring season.

No celebration is complete without interesting games. Several level games were conducted to enhance pupils' knowledge with regard to the festival. The celebration was indeed a memorable experience for the CPS family.
